Applicant hereby petition the Commissioner for revival of the above-identified application for patent.

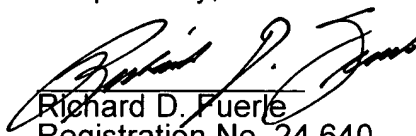

On September 26, 2002, Applicant was mailed a "NOTICE TO FILE CORRECTED APPLICATION PAPERS" (copy enclosed). The due date was November 26 2002. That document was misfiled and was not noticed by Applicant's attorney. As a result, the above patent application went abandoned. A Notice of Abandonment was mailed January 22, 2004. At that time a search was conducted and the September 26, 2002 Notice was located.

Applicant encloses herewith the new enlarged drawings required by the Notice of September 26, 2002.

The entire delay in filing the required reply from the due date for the reply (November 26, 2002) until the filing of this petition pursuant to 37 CFR 1.137(b) was unintentional.

Applicant respectfully requests that this Petition be granted. A check in the amount of \$665.00 for this Petition is enclosed.

Respectfully,
